Wedding Cakes Kissed with Light
Illuminated Cake Display System

U.S. Patent No. 6,170,961; 7,287,870

A New Dimension in Cake Decorating for the 21st Century

A new dimension in cake decorating and presentation, designed for today's bride who desires more than the ordinary wedding cake. Our double plate design allows for the cake to be removed leaving the Illuminated Cake Display System, fountains, flowers and candles to remain on the cake table as part of the bride and groom's elegant reception décor, all night long.

Have Your Cake and Eat it Too!

Love is patient, Love is kind, Love never fails
